CDSL e-Voting System – For e-voting

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING ARE AS UNDER:

- (i) The Voting period begins on Tuesday, September 27, 2022 at 9.00 A.M. and ends on Thursday, September 29, 2022 at 5.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialised form, as on the cut-off date (Record date) of Friday, September 23, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

GLOBAL OUTLOOK

The recovery of global trade was astonishingly quick post the upliftment of restrictions and lockdown(s) imposed to curtail the spread of COVID 19. The recovery was neither delayed or slowed down if such recovery was to be compared with other global recessions or global financial crises. However, the recovery of global trade could not be stable due to further disruptions like the war in Ukraine. The disruptions in seaborne trade remained elevated and the overall trade was sluggish. The IMF has further reported that a tentative recovery in 2021 has been followed by increasingly gloomy developments in 2022 as the risks began to materialize.

According to IMF, the baseline forecast is for growth to slow from 6.1 percent last year to 3.2 percent in 2022, 0.4 percentage point lower than in the April 2022. The “World Economic Outlook” issued by the International Monetary Fund has depicted that Inflation shall remain elevated for longer, driven by war-induced commodity price increases and broadening price pressures. For 2022, inflation is projected at 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies—1.8 and 2.8 percentage points higher than projected in January. However, considering the long-term goals and the immediate challenges, it shall be necessary to prepare for tomorrow's economy. COVID 19 has highlighted productive ways to execute the task and challenges we face embracing the digital transformation and retooling and reskilling workers. Governments and World Forums have thrived to implement positive structural changes to have a fulfilling economy and market transformation(s).

INDIA:

The faith and unity India depicted during the crises after the outburst of COVID 19 and to deal with its aftermath has let India out of a sluggish economy and has been on the path of recovery during the Financial Year 2021-2022. The responses and policies imposed during such crises has supported its recovery along-with other government reforms that motivated a positive outcome and helped to mitigate probable adverse impact.

India, with its tremendous skilled human resource, is a fast-growing economy, having its footprint on various other major economies in this planet. With an optimistic approach India was looking forward to a strong economic recovery. Forums like the International Monetary Fund had forecasted growth to exceed 9% this financial Year. However, the Omicron Virus had an impact throughout the country sparing less time to recovery as it was followed by an international crisis, wherein there was a war in Ukraine. Surging commodity prices, disruption in trade and financial transactions, surging inflation and supply shortage were some of the challenges that disturbed the basics of economics. However, it is believed that India shall emerge through these crises and its risks taken shall be positively materialized. The policies and the regulatory framework enabling India to focus on being a domestic demand driven nation shall play an important role in strengthening the Indian Economy.

Multinational forums have expected India to grow by 7.1% to 7.6% in Financial Year 2022-2023 and 6% to 6.7% in the Financial Year 2023-2024. According to the Reserve Bank of India (RBI) analysis of 10,000 listed companies, businesses have seen a steady net profit-to-sales growth over the past year and are cash rich in nature. It can't be denied that the supply chain has been disrupted due to occurrence of international events and the return to investments are affected for companies heavily relying on international logistics.

A recovery towards the expansionary zone can be categorically seen in the Purchase Managers Index as reported by the Centre for Monitoring Indian Economy. The upliftment of mobility restriction is improving the consumers' confidence.

It has been observed that there has been decline in Government Revenue expenditures which has enabled the government to invest and incur capital expenditures. Higher capital spending on infrastructure and asset-building projects is likely to boost growth multipliers in the medium term.

COMPANY OUTLOOK AND PERFORMANCE

The financial year 2021-2022 has started with an optimistic approach with the markets opening up and the upliftment's of the lockdowns. The company has seen an increased demand during the first six months of the financial year which was depicted in the half yearly financial Results as compared to the previous half year March 2021 or the corresponding previous half year i.e., September 2020 such surge in demand was further observed by the Company until the end of the Financial Year 2022.

Due to Covid-19 and the Ukraine-Russia war, fluctuation in crude oil prices was persistent throughout the year. It impacted the import prices of raw materials for India. Our company follows a practice for maintaining a safety stock for approximately 2 months over and above the minimum stock of raw material quantity which is required for smooth functioning thus minimizing the market risk. This gave our company an edge over the competitors as we were able to meet the market demands on time. During such challenging times our company was able to maintain a constant output ratio by balancing its market position.

OPPORTUNITIES AND THREATS

With the Global and Indian market projected to rise until 2029 an optimistic approach was seen in the industry. However various factors including COVID 19 had been unprecedented and staggering, affecting the plastic industry globally. Plastic is used to manufacture a wide variety of products with applicability of such products in various sectors and different industries. However, the trade of plastics was disturbed because of the disrupted flow of and hinderances in the supply chain management.

The plastic industry in India will further be disturbed because of the ban introduced by the Government of India. The government has been proactive in introducing and implementing legislation which shall curb the application of single use of plastic which were in use in multiple industries and such industries substituting plastics with the available alternatives.

Starting June 2022, the government of India has imposed a ban on (production/sale) of single use plastic items like straws, carry bags etc. Our company is engaged in manufacturing and supply of granules, plastic sheets to manufacturers who are engaged in further production of plastic items which aren't banned by the Government of India. Hence we do not suffer from negative impact of plastic ban.

Our demand size has improved after the import of machine for production in August 2022. The machine was put to use by September 2022 which accelerated our production. The machine proved to be a boon as it has helped us in seizing opportunities in new markets with new clientele. Due to increase in our productivity, we have been able to match the pace of competitive market rates as a result the clients have started to prefer us over our competitors.

Certain countries have started preferring Indian market over foreign markets for importing plastic due to lower cost advantage. Since we have purchased the machine of foreign technology the quality of our products has improved. Despite of hindering market conditions we are able to attract large base of customers as we are supplying the products at constant prices amid fluctuating rates but with improved quality.

RISKS AND CONCERNS

The financial year 2021-2022 had observed a slowdown due to disruptions in International Markets caused by War in Ukraine and the supply chain management. The cost of credit was at a higher rate. The COVID 19 disturbing the economy worldwide and affecting liquidity at large, increased finance cost and credits not being made easily available, the reduced customer demand and allied factors were observed. Also, the disruption in supply chain management has widely affected the Imports and Exports and the International Trade at large. Though after the overwhelming response of the markets post COVID 19, international trade and supply chain was bothered by the war in Ukraine. With the ban on plastics introduced by the Government of India, the use of alternatives to plastics shall get an overwhelming response and increase in demand of such products can be observed. Competitive products substituting plastics can experience massive growth in market share compromising the position of plastic industry

With fluctuation in crude oil prices round-the-clock it's predicted that raw material prices will also fluctuate. Our company's operations largely depend upon the import of raw materials. If this continues there is a high possibility of dollar rates getting affected which will also affect foreign currencies. Thus upsetting our import prices.

With rich experience and expertise of the team the company has gained trust in the International Market and have made way to become a world class supplier with high quality products. The Company is committed to work with the highest effort and satisfy the very needs of its valuable clients. The Company searches and embraces different ways to improve quality and productivity. It welcomes new technology for manufacturing products practicing environmental policy. It also gives high priority to maximize the shareholder profits by practicing responsible management strategies and making the best use of available resources.

INDEPENDENT AUDITOR'S REPORT

To the Members of **G M Polyplast Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **G M Polyplast Limited** ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profits and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no reportable Key Audit Matters during the period under audit.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness

of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- © The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

Annexure “B” to the Independent Auditor's Report of even date on the Standalone Financial Statements of G M Polyplast Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of G M Polyplast Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements

Note 1 Significant Accounting Policies

1. BASIS OF PRESENTATION

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under Sec.133 of the Companies Act, 2013 ("the act") read with Rule 7 of the Companies (Accounts) Rules 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

2. REVENUE RECOGNITION

Sale of goods

Revenue is recognised in respect of supplies as and when supplies are completed.
Sales are recognised net of discounts & taxes.

Export Incentives

Revenue in respect of export incentives such as drawback & rebate is recognised on export of goods and when it is probable that the economic benefits will flow to the company

Dividends

Revenue is recognised when the shareholders' right to receive payment is established

Interest

Interest is recognised on accrual basis

3. PROPERTY, PLANT AND EQUIPMENT

- (a) Property, Plant and Equipment are stated at cost
- (b) Expenditure relating to existing property, plant and equipment is added to the cost of the assets where it increases the performance/life of the assets as assessed earlier
- (c) An item of property, plant and equipment is eliminated from financial statements, either on disposal or when retired from active use.
- (d) Expenses during construction period are allocated to respective item of property, plant and equipment on completion of construction

4. INVESTMENTS

Long Term investments are valued at cost.

5. INVENTORY VALUATION

- (a) Raw materials and stores are valued at weighted average cost after providing for obsolescence
- (b) Work-in-Progress relating to manufacturing activity is valued at cost.

6. DEPRECIATION

Depreciation on tangible assets is provided on written down value method over the useful lives of assets which is as stated in Schedule II of the Companies Act, 2013. Depreciation for assets purchased/ sold during a period is proportionately charged

7. BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use.

8. EARNINGS PER SHARE

The earnings considered in ascertaining the company's EPS comprises the net profit after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

9. FOREIGN CURRENCY CONVERSION

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction. Foreign currency monetary items are reported using the closing rate.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements are recognised as income or expense in the year in which they arise.

G M Polyplast Limited (Formerly G M Polyplast Private Limited)**Notes forming part of the financial statements****Note 1 Significant Accounting Policies****10. PROVISIONS**

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on management estimate required to settle the obligation at the balance sheet date.

11. TAXES ON INCOME

Tax expense comprises of current tax & deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred tax assets and liabilities are recognised for future tax consequences attributable to timing differences between taxable income & accounting income that are capable of reversal in one or more subsequent years and are measured using relevant enacted tax rates.

12. CASH FLOW STATEMENT

Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

13. RETIREMENT BENEFIT COSTS

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Both the employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the salary of covered employee. The contribution is paid to government administered fund.

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.
